About us

At **Gaurav International**, we bring over **16 years** of experience and expertise to the world of premium swimming pool manufacturing. Since our inception in **2009**, we have been crafting pools tailored to fit your lifestyle and space—high-quality, durable, and innovative swimming pool solutions designed to last.

With years of industry experience, we have established ourselves as a trusted manufacturer, dedicated to delivering quality services through a team of skilled professionals. From conceptualization to complete installation, we ensure every project is executed within a planned budget and timeline.

We proudly manufacture and construct a wide variety of international standard swimming pools across residential, commercial, and recreational sectors.

Gaurav International continues to set new benchmarks in the swimming pool industry. Whether you're looking to build a luxurious private pool or a large-scale commercial project, we are here to transform your vision into reality.

We create pools that are not only visually stunning but also engineered to last. Trust us to deliver a space that will elevate your lifestyle and inspire your senses.

Witness the transformation — where water meets design, and pools become aquatic paradises with crystal-clear views that create unforgettable experiences.

"Elevate Your Lifestyle with a Touch of Water"
